Association Informo, the Intermediary Organization for the Erasmus for Young Entrepreneurs Program, is honored to invite you for **the Info Day for Young & Entrepreneurs**.

The aim of the Info day is to present the results of the EYE program and to promote entrepreneurship and international networking. Fostering entrepreneurship and networking between European states is fundamental for the development of our economy. The gathering will empower the cross-border cooperation through the active contribution of the Italian, Slovenian and Croatian participants.

The event will host representatives of Enterprise and Industry Directorate-General European Commission, the Chambers of Commerce and Industry from Croatia, Slovenia and Italy, local and regional authorities and many others.

The event will take place on the 30th of January 2015 at the Italian Community of Vodnjan/Dignano, Narodni trg 4, at 2 p.m.

Young people interested in starting their own business, experienced entrepreneurs of Istria and all interested in EYE program will benefit from the participation in the Info Day. You will receive essential information about European support of entrepreneurship as well as answers to any related questions.
